Subject: Notice of File Closure, Feller Enterprises, Hurricane Sandstone Project, S/053/0077, Washington County, Utah

Dear Mr. Feller:

The file for the Hurricane Sandstone Mine, permit number S/053/0077, located in Washington County, Utah, will now be closed and retired.

The site was inspected by a representative of the Bureau of Land Management, and it was determined that the disturbed area has been satisfactorily reclaimed and can be fully released. The Division of Oil, Gas and Mining has received concurrence from the Bureau of Land Management agreeing with the file closure.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Lynn Kunzler at (801) 538-5310. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Paul B. Baker  
Minerals Program Manager
